**Classes:** Modified and Unlimited

**The race:** There are 6 sections for each class. Same starting area for both classes. There is 1 time track every day for both classes. At the drivers' meeting, it will be announced when the time track will be run. It is the Unlimited class that starts first in all paths and then Modified. It is allowed that 2 drivers participate with the same car in the same competition.

The Norwegian Championship is open to all drivers with a valid driver's license and driver's license for Offroad Racing and drivers from all ASN affiliated to FIA NEZ can participate and take points. Or anyone who holds a license for off-road. In addition to participants with a license from NBF, participants from Sweden, Denmark, Finland, Iceland, Switzerland and Germany can take points. (General provisions art2.4)

A driver is considered a participant after check-in and technical control has been completed. Foreign participants must have a start-up permit from their own federation. The time spent for each section is a maximum of 3 minutes.

[Remember the 1 minute rule at green flag is increased to 2 min due to distance from start plate to depot.](#)
